Also, I think I have this channel private and everyone who should be in the group in the group. Feel free to invite anyone who would appreciate the conversation. 🌚

RKeahnMagi Thu Aug 19 2021 15:18:56 GMT-0500 (Central Daylight Time)

Hey all, since I've never posted in this channel before, allow me to introduce myself. My name is Rowan and I'm a pansexual trans woman (pronouns are they/them). I'm also one of the librarians. 🏳️‍🌈 All of which is to preface this: Dungeons & Dragons has a reputation of being catered toward cis het white men and generally unwelcoming to LGBTQIAP+ people and POC. However, I will be running the game and that is not acceptable to me. So, while we are inviting people in general to register to join if they'd like, I would like specifically to invite anyone in this channel that wants to play to join. On Saturday, September 11 from 1:00 pm to 5:00 pm I will be doing a Dungeons & Dragons 5th Edition character creation workshop where I will be walking through how to make your own character. Saturday, September 25 from 1:00 pm to 5:00 pm will be the first session of a campaign I will be running either monthly or every other week (haven't nailed down that detail yet)

Hey everyone, our calendars are out, which means registration for the campaign is now open! <https://forms.gle/RJgUzsEAiVPwQZRJ6> This link will take you straight to the registration form. You don't have to register for character creation, so only do this if you're interested in playing in the campaign. EDIT: If you need help creating a character and won't be attending the character creation workshop, you can message me on here or email me at [rkehn@enid.org](mailto:rkehn@enid.org)

emma Mon Nov 01 2021 21:37:07 GMT-0500 (Central Daylight Time)

hi everyone! 🍷 i'm emma, i'm another one of the librarians, i'm a nonbinary lesbian (they/them), and i'm the substitute homosapiens meetings manager (next meeting is \*\*nov 9th\*\* from 4:30-5:30). i just wanted to point out the teen-homosapiens voice channel <:behold:858392840832155678> it's only visible to the people in this chat (we checked). at the start of the meeting, i'll do a video call on one of our laptops and you can hop in and join our meetings remotely! you don't have to use video or voice if you don't want to, i'd love to have more people attend any way about it 🍷

Mon Nov 01 2021 21:38:11 GMT-0500 (Central Daylight Time)

So cool! I use they/them pronouns too!

I'll probably join the call on the 9th!

Books for this club and the weekly teen scifi one are at the front desk to check out, we'll be reading Middle Schools a Drag (because that's one of two book sets we have for HomoSapiens and I think you all have read Drama already). Next meeting is December 14th, would love to see you there! Also, if you have any books you'd like to read for this club I'd love to hear about it 🖤

A little choppy but good otherwise

I also identify people by the first feature I noticed

I would imagine it would be because a P.O. Box is more anonymous and there was an attempt to crack down on graffiti (which would have disproportionately affected lower class people and people of color doing it this way)

Should be. I added them Saturday

alrightyyyyy we're working on getting kindles with cemetery boys loaded on them for people to check out 📖 not ready yet but for sure by Saturdays DND, and the audiobook option is there as well <:behold:858392840832155678>

the next meeting will be on FEBRUARY 8TH at 4:30pm.

react to this post with a 📖 for dreadnought or a 🗳️ for quiver, if you have no preference you can just vote for both, I'll see who won in 48 hours

reading as fast as I can!

i bought the ebook forever ago so our physical copy is up for grabs to anyone else, I put it in the regular book club books spot

and Megan solved the kindle checkouts puzzle 🖤 so ask at the front desk or the teen desk for the book club kindle fires and you can check those out now 🖤

All the kids and teens book club books are now on that circular table to the left where you first walk in the library, hopefully this big blue sign will help people figure out how to join us!

im about a third of the way thru the book spoiler tagging my thoughts ||it picked up more once [redacted] entered the story and we got more dialogue also this book is very fun to describe to people||

Homosapiens United is, officially, an all-inclusive teen book club for people who believe that you should be allowed to be exactly who you are. We meet on the **second Tuesday** of every month in the **Red Earth Room** at the **Public Library of Enid and Garfield County** from **4:30-5:30pm**. Every meeting, we discuss the book we read this past month, distribute the next month's book, decide on what we're going to read in the future, and generally socialize and have a good time. Even if you don't finish the book or just want to scope things out, I'd love to have you at the meeting! Physical copies of the books are always available on the round table in front of the kids and teens area. If the book is also available on Libby/Hoopla, I'll let you know. If it is not feasible for you to physically attend meetings, we also offer **remote** options here in the Discord. We have a separate voice channel for Homosapiens members; no one who's not in this channel can see it or see who's in it. You can join the call, plug in some headphones, mute your microphone, and listen in while typing your thoughts down here in the chat if you would rather not be heard by people in your home, and we at the meeting will keep an eye on the chat and respond to you verbally. Alternatively, you can join the call and keep your microphone on to talk to us verbally if you'd prefer that! This channel is invite-only, so if you know anyone who would find value in this, just ask me or any other librarian, and we'll help you out however we can. No one needs to even have a Discord account at all to join the book club of course, but it definitely doesn't hurt, haha! Let me know if I can elaborate on anything else, thank you for joining us on this adventure! 🍷

\*\*\*Book Sets Owned:\*\*\* **Past Books:** - Dreadnought - Cemetery Boys - You're Welcome, Universe - Middle School's A Drag - Drama **Current Book:** Laura Dean Keeps Breaking Up With Me by Mariko Tamaki and Rosemary Valero-O'Connell (available in print) **Future Books:** - Mask of Shadows

behold etc etc

Meeting is a week from tomorrow! Hope to see a lot of you all there!

Sadly there's not a digital option for this book that I've seen, but it's a graphic novel so if you wanted to read it all in the library that'd be easier to do with this book than a lot of others lol. After this one we'll be reading Mask of Shadows, and after that I don't know + I absolutely welcome any recommendations. Our next meeting will be on \*\*APRIL 12\*\* at \*\*4:30 PM\*\*, hope to see you all there!

Tue Apr 12 2022 17:13:57 GMT-0500 (Central Daylight Time)

I should start doing book tok but I'm afraid I will end up only talking about ghost books or gay books

Yea

But sometimes people purposely put random ones to mess up hashtags

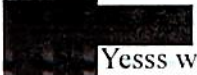

RKeahnMagi Tue Apr 12 2022 17:14:55 GMT-0500 (Central Daylight Time)

Every month we teach Megan something new

 Tue Apr 12 2022 17:18:17 GMT-0500 (Central Daylight Time)  
I don't remember how exactly to spell it but idehnburg has had many illnesses and deaths below where the city stands today because there is the old town under (I learned this from city of ghosts)

 RKehnMagi Tue Apr 12 2022 17:18:30 GMT-0500 (Central Daylight Time)

Next book is YOURE WELCOME UNIVERSE back at it again and the meeting will be MAY 10TH

Hi everyone! Just a quick reminder that our next meeting is in a week. Megan and I will see if we can sort out using podcast microphones to make the audio work better, fingers crossed! Your next book will be This One Summer. It deals with depression and is written by a duo of Japanese-Canadian authors, so it seemed topical for Mental Health Awareness Month and AAPI Heritage Month. After that will be Legendborn, a Sequoyah book from last year about Arthurian legend and Black Girl Magic. ✨ ALSO: unrelated to everything above, my last day at the library will be a week from Thursday, on May 12th! I'm starting a full-time job at a concordia and I'm very excited and stressed about it. This book club is...

RKehnMagi Tue May 10 2022 15:52:35 GMT-0500 (Central Daylight Time)  
Give me just a second

Much echo

Reverb rather

Keep speaking

Very reverb-y still. Sounds like you're in a large empty room

That's good

Set it in the middle of the table and see how it sounds

You dropped off entirely

Is it pointed straight up?

Put it as vertical as it can then try again

emma Tue May 10 2022 15:55:50 GMT-0500 (Central Daylight Time)

RKehnMagi Tue May 10 2022 15:56:04 GMT-0500 (Central Daylight Time)

RKehnMagi Tue May 10 2022 15:57:25 GMT-0500 (Central Daylight Time)

Hey, you can still be heard

It's not as loud, but it's audible

Still some cutting out but that's an internet thing

emma Tue May 10 2022 15:58:30 GMT-0500 (Central Daylight Time)

okay nice i'm going to go do the 4pm drop and then come back when it's book club time  
:^)

RKehnMagi Tue May 10 2022 15:59:46 GMT-0500 (Central Daylight Time)

Might try connecting it to NEWPLEGC instead because it's usually faster

@here Even if you can't come in person, you can still connect to the voice chat and listen in! ~like me~

They should have permissions to join if they're in this channel

You cut out. Make a what?

Uh, I can look into it when I'm off the clock

As long as it stays hidden that should be okay, but the problem is that we can't add a role without outing people

Indeed

1/23/23, 5:34 PM

discord chat record

Like I said, we can look into it. Just want to be careful. And apparently the newplegc is not going faster. You keep freezing

emma Tue May 10 2022 16:45:35 GMT-0500 (Central Daylight Time)  
absolutely yeah super careful that's my main concern

RKehnMagi Tue May 10 2022 16:45:37 GMT-0500 (Central Daylight Time)  
It appears no one is joining and it's 15 minutes after start

No

emma Tue May 10 2022 16:48:02 GMT-0500 (Central Daylight Time)  
okay byeeeee 🍷 the next book is This One Summer and it's out on the book club table ready to check out for anyone!

Sadly this one isn't on either of our virtual libraries, but as with last time Megan can arrange to have your books delivered if you can't make it to the library

Ignore me, I'm testing stuff

Trying to make it easier to add new members to these channels while keeping them hidden and not adding a role

Thu May 19 2022 18:38:28 GMT-0500 (Central Daylight Time)  
They were playing one of the gay pirate songs at Mango Tree

It was Gnossienne No. 5 by Erik Satie and then very abruptly changed to jazz
