

**In Memory**

**PRAHLER  
Donna Jo**

Six years have gone by  
but you are not forgotten.  
Deeply missed but mem-  
ories are here so you are  
not gone. You are missed  
and loved forever.

**In Memory**

**PRAHLER  
Donna**

The laughter has gone  
silent since you left.  
The fun and good times  
we had are now only  
fond memories.

The future we were  
gonna have together is  
no longer as bright as it  
once was.

Our hearts ache and  
eyes fill with tears with  
the thoughts of you  
being gone.

We love you so much  
and miss you even  
more.

You will never be  
forgotten.
