Please, God, forgive a silent tear. A fervent wish our Dad & Mom were here. There are others, yes, we know But they were ours, we loved them so. Dear God, take a message to our parents in heaven above. Tell them how much we miss them, And give them all our love.

In loving memory of our dear Dad and PaPa May 31, 2002

14 years have passed dear Dad & PaPa since you were called away;

Sad are the hearts that love you, silent the tears that fall, Living our lives without you is the hardest part of all.

You did so many things for us, your heart was kind and true, And when we needed someone we could always count on you. The special years will not return when we were all together, But with the love within our hearts you will be with us forever.

Fill not our hearts with pain and sorrow, but remember them in every tomorrow. Remember the joy, the laughter, the smiles, they've only gone to rest a little while. Although their leaving causes pain and grief, their leaving has eased their hurt and given them relief. So dry our eyes and remember them, not as they are now, but as they used to be. Because we will remember them and look on with a smile. Understanding in our hearts that as long as they have the love of each of us, they can live in the hearts of all of us.

We often think of bygone days
When we were all together,
The family chain is broken now,
But memories will live forever;
To us, you have not gone away,
Nor have you travelled far,
Just entered God's eternal home
And left the gate ajar.

In loving memory of a dear Husband
Father and Grandfather

We miss you now, our hearts are sore,
As time goes by we miss you more;
Your loving smile, your gentle face,
No one can fill your vacant place.
Loving memories never die as years roll on and days pass by;
In our hearts a memory is kept
of the one we love and will never forget.

Hello, in the same old way.

The hear your voice, see your smile,
To sit with you and chat awhile;
So you who have loved ones
Cherish them with care,
For you'll never know the heartache
Till you see their vacant chairs.

God gave us a wonderful child,
Whose memory will never grow old,
He fashioned a smile out of sunshine,
He molded a heart of pure gold.
He needed a new star in heaven,
A beautiful light to shine,
So out of this old world of sorrow,
He chose that dear child of mine.

Love always,

PERDUE

In loving memory of my Dear Husband who passed away March 4, 1995.

One Silent Tear

In the shadows of the night,
one silent tear escapes;
It glistens in the moon light as it falls upon her face.
It is a tear of mourning,
of sadness and of pain,
she looks into her soul,
strength is what she seeks.
The courage to meet another day,
to face the hours alone, to feel his presence echo in the rooms of their empty home.
The tear resumes its journey, as it travels down her face, it passes lines of beauty, of wisdom and its grace.
Her eyes fall upon the portraits along the living room walls. The faces of their family hung upon these walls. In their smiles she sees him, his laughter in their eyes, he has left a legacy, for in their hearts he lies.
He is gone from this earth, but not from her heart, united in love, they are NEVER apart. And she smiles softly. She has nothing to fear and her hand gently wipes away, once more that **ONE SILENT TEAR.**

In Loving Memory Dad

He never looked for praises
He was never one to boast
He just went on quietly working for the ones he loved the most.
His dreams were seldom spoken
His wants were very few
And most of the time his worries
Went unspoken too.
He was there...A firm foundation through all our storms of life
A sturdy hand to hold on to
In times of stress and strife.
A true friend we could turn to
When times were good or bad
One of our greatest blessings
The man that we called Dad.

Loving you always and missing you.

Within our hearts we always keep a special place for you,
And try to do our best to live as you would want us to.
As we loved you, so we miss you,
In our memory you are near;
Loved, remembered, longed for always,
with the passing of each year.

We miss you now, our hearts are sore,
As time goes by we miss you more;
Your loving smile, your gentle face,
No one can fill your vacant place.
Loving memories never die as years roll on and days pass by;
In our hearts a memory is kept of the one we love and will never forget.

Miss and love you,
