Holiday Gift Giving...

and Holiday Magic...

Since 1987 Lynn Haney has designed and created his collection of Santas and other characters from his Lubbock, Texas studio. With a staff of over 30, each day is spent sewing, painting and assembling the ever-growing collection of his designs.

As all of us celebrate in our creating of pieces, we thank you for letting us join in your family Christmas Celebrations. We look forward to continuing the tradition of offering you hand-crafted pieces to be treasured for years to come.
