Rustic Designs (264-5000) This Elk Rapids store carries lodge, cottage and up north rustic style decor and accessories. Designer Cathleen Cardwell is on hand to help provide advice or customize special orders and there are many items that have been made by local and statewide artists. During the holidays, they stock a range of small artifi cial trees, many that have been made with a second home or cottage in mind. Complete lines of larger furniture pieces are also available.

#### Central Lake Adam's Madam's (544-

2770) A crafter's consignment store that features the work of more than 150 artists, its owners say they "go wild" for the holidays by carrying all manner of snowmen, Santas, decorations, wreaths and much more. They have areas of the store designated for special looks and themes, such as lodge look, red white and blue, and kitchen, to name a few. You can also find paintings, homemade soaps and candles and much more.

#### Glen Arbor

Black Swan (334-4045) The owners of this women's boutique want to remind shoppers that they, like many other downtown Glen Arbor shops, are not just open for the holidays, but year round, and encourage you to come and visit their village if you haven't done so recently. At Black Swan, there are many Brighton accessories, like jewelry, wallets and belts, and scarf, hat and mitten sets. They are known for their sweaters and have many created just for the holidays, but also carry lines by Willow, Amano, Dakota and Harley.
