

President's Welcome Letter

Welcome to the 19th Annual Home Builders Expo.

The 2003 theme for the Home Builders Association of the Grand Traverse Area, Inc., is *Start Building With Us*, and we hope that is what you will do.

Check out the new and innovative building materials and techniques in this year's show. I'm sure there will be something that will strike your fancy, for we have a vast array of building and remodeling ideas.

If you want to replace all the windows in your home or a larger one for an existing room, update the kitchen or build an entire new home, this is the place to begin.

Pick up our new HBA/GTA membership directory today at the HBA booth and **START BUILDING WITH US!**

If you have any questions regarding the Expo, or how to find the right builder or remodeler for you, contact the Home Builders Association of the Grand Traverse Area, Inc. at 946-2305.
