# Appreciation

A home is an investment, and its value comes in comfort, quality and craftsmanship. That's why we pride ourselves on these principles. As the premier Timber Frame and Log Home builder in Northern Michigan, FMS Construction, along with our affiliates, commit to the highest level of quality and service. You are certain to appreciate the beauty and detail in every home.

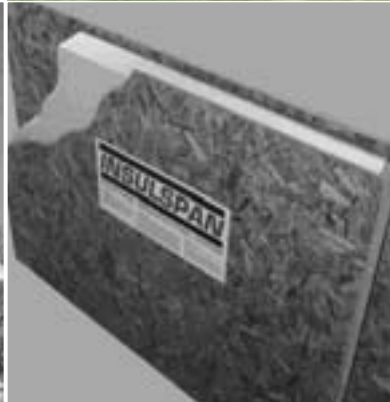

**Riverbend Timber Framing offers** design flexibility, open floor plans, and energy efficiency. Visit us at booth #41.

**Hiawatha Log Homes offers**
