## The Best Quality and Unique Selection

WOOD

**KOZY HEAT**  
A perfect fit for both your space and lifestyle. These Kozy Heat fireplaces brighten you the best of both worlds. Because they're zero clearance, you can install them almost anywhere. Choose traditional wood-burning or gas. Both options deliver superior heat output to bring warmth to even the coldest winter days.

**GEM 36**  
First of its kind in the industry. Firebrick Technology provides much more than a spectacular looking fire. This unique firebox is arched with a seamless herringbone refractory. Combine this with our patented, award-winning Mystifire™ burner and you get a fireplace that will give your family warmth and comfort for years to come.

GAS

GAS

**TWILIGHT**  
Entertain inside or out while enjoying the Twilight from either angle. This see-thru direct vent acts both as a fireplace and window, allowing spectacular fireplace view in your living room and patio simultaneously.

FREE VENT TERMINATION with purchase of a fireplace \$150 value

**THE EVEREST**  
The European style of the Everest offers a fresh new look that's sure to add charm to any home. Its unique stacked campfire log set and distinctive refractory turns any room into a showpiece.

GAS

GAS

**THE PASSAGE**  
The Passage is a ceramic fiber direct vent see-thru fireplace that features an eye-catching masonry style arch on each side. It is clean faced allow finishing products to be brought right up to the opening.
