

Executive Officer's Message

Welcome to the 2003 Parade of Homes.

I would like to express my appreciation to all of our builders and associate members who have worked very hard to provide for you an excellent showcase of homes, craftsmanship, and a showcase of building materials. As you travel from home to home I hope that you will be able to enjoy noticing the many skills and talents that go into the building of each home from the beautiful landscaping and site development to the finest details of flooring, cabinetry and design. In addition to the hard work of our members preparing for the Parade of Homes I would like to also express our appreciation to our volunteer associations that host the Parade Homes each year. Each Parade Home volunteer organization receives a portion of the ticket proceeds to help fund their organizations.

Several changes have been made to the Parade Book this year. The Center Map has letter identification marks that are located on that map to assist you in finding the homes on the individual Builder pages. Letters on the Center Map will also appear on each of the Builder page diagram maps to assist in quick location of that point. As always we are looking for ways to improve the Parade of Homes and its presentation. Should you have any comments or questions regarding the Parade of Homes, please don't hesitate to communicate with the Home Builders Association of the Grand Traverse Area, Inc office staff.

And finally, after you have toured all the homes we would you appreciate you depositing your ticket to vote for the home, which you believe to be "People's Choice".

Thank you very much for your support and we will look forward to you returning in 2004.

Douglas Lape
Executive Officer
