Bay Breeze Development Company is proud to present a Victorian Timber Frame Community nestled within the quaint village of Elk Rapids and overlooking the lovely harbor of Elk Rapids.

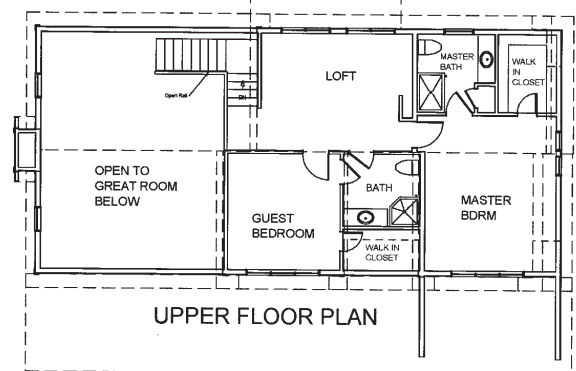

Bay Breeze amenities include an indoor pool facility with pool, Jacuzzi, sauna, steam bath, lounge area with kitchenette, as well as an outdoor patio, built-in barbeque and bonfire area.

Riverbend Timber Framing Company did a wonderful presentation of a red oak hammerbeam and collar-ties in this homes' beautiful great room. Cherry flooring and granite counter tops show off beautifully.

Stop by and visit our three Parade Homes. I believe you will be pleased.
