Luxury, drama, convenience, and space. If you desire to experience the rugged beauty of the northern lakeshore but don't want to give up any of the amenities of elegance living, the Harbor Master is designed for you. The formal dining room with tray ceilings is separated from entry by gracious pillars. The kitchen, with granite-topped island, situated between the great room and breakfast nook, takes full advantage of the awe-inspiring views. The master bedroom features vaulted ceilings, walk-in closet, private bath with whirlpool tub and shower. The pampering is extended to company as well with the guest bedroom featuring his and hers closets and located immediately adjacent to a full bath. An optional finished lower level provides two more bedrooms, a full bath, and large family room. The laundry may be located either in the lower level utility room or main level mudroom. From stem to stern, den to deck, every provision has been made for your comfort.
