

Bride & Groom: Getting married in serious style

Record-Eagle/Elizabeth Conley
Above: His ring is an 18 yellow and white gold kt. band with three square-cut diamonds. Hers is a Jewels by Star platinum canary yellow and white diamond ring. The bouquet is a mix of blue hydrangea and white Eskimo roses. Far right: From the Pure line by Alfred Sung, a modern sheath-style gown created in a soft draped silk taffeta. A portrait neckline is accentuated by the surplice bodice, with details of asymmetrical draping at the midriff creating an understated look. Above, right: The white dress shirt with a laydown collar is by Raffinati.
