Crystal Lake “home or home away from home.” Ave inspiring view plus 100 feet of private sand beach. Spacious 4 bedroom, 3 bath home with sunroom, office, attached garage plus boat house. Opportunity to grow. \$1,160,000. smckinley@benzie.com (231) 352-9508

Located North of Frankfort, Crystal Downs was magnificently carved from the hills along the Lake Michigan shoreline, providing commanding views across her majestic waters and the Sleeping Bear Dunes scene. This unique 3 bedroom, 4 bath home is an extension of its owner, and thus was planned with guests as well as comfort in mind. The sweeping deck, with a backdrop outdoing even Cecil B. DeMille’s creations, is the perfect party setting. Residents share a sugar sand Lake Michigan beach, a short golf cart ride from your door. Set in a secluded wooded setting, it offers a captivating view of ships passing (day and night) and brings to life the legend of the Sleeping Bear. \$895,000.
