

VOTE TUESDAY, AUG. 3, IN THE PRIMARY

IT'S IMPORTANT

WHY?

- In predominantly Republican northern Michigan, winners in the August primary often face no opposition in the November general election. As a result, this is the election where voters in many counties will select their next sheriff, prosecutor, township supervisor and other local government officials.
- It's the election where most township millage requests and other local issues are decided, where voters are asked to approve taxes for everything from road maintenance and snowplowing to fire/rescue services and Dial-A-Ride.
- Voting makes democracy work. Not voting gives special interests and lobbyists a stronger voice in government.
- Voting is one of your most important rights as an American. It is also one of your most important responsibilities as a citizen.
