

Children's Fishing Pond all week long

Remember catching your first "big one?" Kids of all ages will take delight in a week's worth of fishing fun at the Festival's Open Space park. The Festival Children's Fishing Pond is sponsored by Fifth Third Bank and MC Sports. Stocked with fresh Lake Michigan trout, every fisherman is nearly guaranteed a catch of a lifetime. The Grand Traverse Sport Fishing Association will be on hand to assist kids in fishing techniques during the entire eight days of the Festival, July 2—9.

A fresh-water fishing pond for Festival

trout will be placed near the Open Space Park adjacent to Clinch Park Marina. Fishing rods will be provided to assist youngsters in learning the basics of fishing, all in an effort to educate children about one of the simple joys of life. Festival zoo friends will enjoy the fishing events too. Upon catching the fish, youngsters can donate their catch to the Clinch Park Zoo for the animals.
