

Start Building With Us

Welcome to the 21st annual Home Builders EXPO.

The EXPO is sponsored by the Home Builders Association of the Grand Traverse Area Inc. The Home Builders Association is a professional trade association encompassing the counties of Antrim, Benzie, Grand Traverse, Kalkaska and Leelanau, whose members are licensed, where applicable, for the purpose of constructing quality housing, providing associated services and utilizing progressive technologies. The Home Builders Association of the Grand Traverse Area is an affiliate of the Michigan Association of Home Builders and the National Association of Home Builders.

The Association's mission is to act as an advocate for its members in the home building industry. We accomplish this by informing and educating our members and the community through events such as the Home Builders EXPO. The EXPO gives our members the opportunity to showcase what is new and innovative in building materials and techniques. We will be presenting a vast array of building and remodeling ideas for your consideration. The Home Builders EXPO is your place to spend some time talking to our members, getting some ideas, and start building your home or project with us. Check out our all-new Welcome Center, where you can sit down, relax and get information on the 2005 Parade of Homes and preview our new logo!

Also, pick up our newly published 2005 Membership Directory. The Directory contains the names of over 500 Home Builders, Remodelers and Suppliers in the five-county area. If you have a question, they are eager and ready to assist you with your building needs.

See you at the Home Builders EXPO!
