Verndale at East Bay has it all. You will feel you have finally found what you have been looking for. We offer exceptional quality constructed ENERGY STAR RATED homes, golf course lots and a convenient location, with nearby vacation-like recreational activities. This is a community with a unique lifestyle. A lifestyle that is *far from ordinary*. Come visit us and see.

Examine the intricate details. Feel the finish. This is Wooden Hammer quality. The finest cabinetry you may ever experience.

And now, we have created a new line of cabinetry that everyone can afford, the Classic Collection from Wooden Hammer. You won't find anything like it from the major cabinet manufacturers for the same price. It's a level of quality that exceeds everyone's expectations.

Visit our Showroom and see the difference. We enjoy sharing our passion for installing fine cabinetry with everyone, and helping you create your favorite spaces.

Wooden Hammer has been the recipient of the Grand Traverse Area Home Builders Association's Parade of Homes "Best Kitchen Award" three years in a row.

**YOU WILL PAY MORE FOR  
ENERGY THIS YEAR THAN  
EVER BEFORE.**

**Aren't you glad there's  
a company that's doing  
something about it?**

We sell high-tech heating and cooling systems that reduce energy consumption so much, they eventually pay for themselves in savings. At today's prices, that won't take very long.

Call us if you are buying or building a home, or want to upgrade to a more energy-efficient system. There are many technological advances you should know about.

GeoFurnace has always been dedicated to energy-efficiency. Find out how we can help you get your energy costs under control.
