My Man
I am a female, Spoken for by a man,
A man who knows my worries, fears & potential
A man who cares enough to stay strong,
And loves me enough to be sensitive
A man who provides not just for my needs
But, also my wants
A man that knows I care for him
As much as he cares for only me

I am very proud to be
with you Nathan.

My first Valentine's Day has arrived
which makes me excited. With boys a
LONG ways off I'm sure you're
delighted. So since I've claimed your
heart, as you've surely claimed mine,
I would like to ask you Daddy,
please be my Valentine.

I'm so glad
"I've got you babe".
I love you,
Amy.

The wondrous moment of our meeting...
I well remember you appear...
Before me like a vision fleeting
A beauty's angel pure and clear
Years or so went by, playing in our bed
Love and children born, a family anew
We planned to be wed
No one could have granted me Rebecca
Besides a great man Dead

The fire, and the tears,
and the love alive
is now so clear.
No one in the world
I could have imagined
but My Rebecca...
the one, my dear...
