

Northern Michigan *Neighbors*

Northern Michigan neighbors are good neighbors. They prove it time and again, during good times and bad. We want to hear your stories about how your neighbors — whether they be friends or strangers — offered you a hand and showed a little kindness.

On Thursday, April 4th, the Record-Eagle will debut a special section showcasing all the great things people do in our region. This publication will feature short articles written by our readers about an act of kindness. It can be a life changing event or one that just brightened someone's day.

TRAVERSE CITY
RECORD EAGLE

Are you wondering how to get involved?
