SISTER
It’s been 22 years since you were taken from us, but it seems like you’ve been gone for such a long time. So many things happen in our everyday life, but never a day goes by that you don’t come to mind of me. You, a song, a voice, a saying. Something our family did together that have such wonderful memories. My niece, and their sons remember your smile, your attitude, with her smiling face, her loving, hugging, knowing ways. I know how much you would have enjoyed being a part of your grandchildren’s lives.

Sadly missed by everyone.
Love, Yvonne
Brother, Johnnie, Mary and Sons
